Tactical

Well organized in the approach to violence. Each maneuver done to curate the desired conditions for the battle.

Begin the battle with 8 INTEL. Spend INTEL during any of your characters activations.

(Cost 1) RECON:
Gain favorable on the next rounds initiative roll.

(Cost 1) Guide:
Active character may sprint vertical until the end of this activation.

(Cost 1) Survey:
Target a piece of terrain, the terrain no longer grants cover for enemies or hinder charges for friendly characters.

(Cost 2) Prioritize Target:
Select an enemy character. Friendly characters only make combat actions against this target until the end of their next activation. Gain strengthen and favorable.

(Cost 2) Fire & Maneuver:
After a character makes a ranged attack select a friendly character within 6”, it may make a free move 6”.

(Cost 3) Early Extraction:
End the game at the end of turn 4.
